Fundraising and Sponsorships

Our club hosts these events each year for the enjoyment of our skaters, families and community. These events also are an avenue to fundraise and help to supplement the costs associated with figure skating.

Sponsorships: Glengarry has an established sponsorship program. This program awards companies with different types of perks and advertisement depending upon the donation size. Donations are both nominal (money) and non-nominal (donated item). We are currently in the process of accepting sponsorship donations for our upcoming season (March 2019- April 2020). Please see more about this program on our website ([link here](#)).

Raffle and Silent Auction donation item collection:

This year, we are trying some new fundraising events including raffles and silent auctions at the Regional Competition and the Barely Mill Night Out. Attached to this message ([link here](#)) you will find a letter that we would love you all to review, which explains our request for donations for the raffle basket and silent auction.

As we are only a few people organizing these events, we greatly appreciate any help parents can give, whether it be sharing events on Facebook and inviting friends and family to participate, or especially willing to take letters around town to different businesses. We will be posting a spreadsheet at the arena with some businesses we have brainstormed to contact, but welcome your suggestions as well! If you own a business and would like to donate, we would love to have your support. If you are able to take letters, please look for the spreadsheet on the bulletin board and write your name on the line associated with the businesses you intend to contact and simply check-mark it when letters have been delivered or emailed. Copies of the letter can be provided at the rink.

We really appreciate any support families can lend, as family support is the life-blood of the club - without you our club could not flourish and enjoy the great opportunities and events hosted by our club.

Thank you!
